REPRESENTING EUROPE’S FOOD AND DRINK INDUSTRY
Representing Europe’s food and drink industry, FoodDrinkEurope’s mission is to facilitate the development of an environment in which all of Europe’s food and drink companies, whatever their size, can meet the needs of consumers and society, while competing effectively for sustainable growth.

FoodDrinkEurope strives to contribute to the development of an appropriate framework in which issues such as competitiveness, affordability of quality food, consumer trust in food safety, informed consumer choice, responsible marketing and the environment are dealt with in a holistic manner, underpinned by sound science, robust data management and effective communication.

In delivering this mission FoodDrinkEurope will, together with its members, operate as an active, committed and responsible stakeholder. Representing the food and drink industry in Europe, FoodDrinkEurope will increase the industry’s visibility, enhance and promote its cultural and social values, richness and variety, tradition and culture.
